4. League fees may vary by year and/or season. U14 and below age group rates are typically higher in the fall than spring due to one time costs such as player insurance coverage which applies for the entire year.
5. Fee amounts and club deposit and final payment due-dates are released to member clubs via their league representative and normally posted on the VSLI website for the upcoming season in advance.
6. The VSLI website currently (2 April 2008) lists spring season 2008 VSLI league fees as follows:

U10 - U11	\$335.00
U12	\$505.00
U13 - U14	\$525.00
7. VSLI League fee amounts for fall 2008 have not yet been released. This information will be passed to Travel Program members as soon as VSLI announces them.
